How You Can Support Woolly Hat Day

We want everyone to wear a Woolly Hat and make a donation to a seriously important charity that supports seafarers facing troubles all over the world. Missions exist in Ports to offer help when and where it is most needed and it is totally funded by charitable donations.

The Wool Connection From Shepherds to Seafarers

Wool connects our shepherds and our brave seafarers - it is naturally strong and will retain warmth and repel water! Wool hats and jerseys are still worn at sea today to repel some of the toughest working conditions that exist.
