Knit 2 rows

Work from chart B for 12 ROWs. When you reach one less stitch  
Slip two sts as if to Knit, Knit 1, pass two slipped sts over. The line of  
blue squares on the right indicates the Knit 1 in the decrease.

Break wool and thread through rem. sts.

Sew in ends neatly, wash and block your hat on a large dinner plate  
Make large Pom Pom if desired.

Get on your bike and wear your hat!

## Washing

To clean just rub off with slightly soapy water or spot clean. If  
required, fully immerse in water and wool wash, squeezing out  
water in a clean towel. Continue to immerse in clean water until  
the water runs out clean. Dry by pressing in a clean, dry towel and  
make sure never to rub as this will felt the yarn.

## About Jamieson & Smith

Jamieson & Smith have been the major purchasers of  
the Shetland wool clip for over 65 years, annually  
buying from over 700 local producers.

Located in Lerwick's Old North Road, J&S are busy  
throughout the year, sorting and grading raw wool to  
ensure the finest parts of each fleece go into our wide  
range of knitting yarns.

Each fleece is examined and hand sorted, the finest  
parts contributing to the various ranges of yarn, and  
the thicker parts being put into other products such as  
Shetland Wool carpeting, to ensure minimum  
wastage.

We hope you enjoy knitting this pattern from our  
collection as much as we enjoyed bringing it to you.
